#### 3. Applicants must be 16 years or older and an active member of Orienteering Canada.

#### 4. Evaluation Opportunities

Orienteering Canada's Coaching Certification Committee and your Provincial/Territorial Orienteering Association will endeavor to schedule your evaluation at the earliest convenience. We will try to organize the evaluation of several coaches in one session/day for the efficient deployment of our Evaluators.

There is also an option for the evaluation to be completed through **your video recording** of the requisite Evaluation practice session. There is additional information on this option on the website. Indicate on Page 2 if this is a viable option for you.

Additional details on these prerequisites and the curriculum for the Evaluation process can be found on the Orienteering Canada website at: The ***Get Coaching!*** links.

If you are ready to be evaluated, please submit the form attached to AOA and we will **contact** the National Coaching Certification Co-ordinator.

**Thank-you** for your participation in the NCCP and your interest in becoming a certified orienteering coach.
